THE OVERBREW

Our brewery is located in an old machine shop from the late 1940's. With the original cranes and cement brick walls our space gives off a vintage yet modern industrial feel. We have repurposed all 15,000 square feet to create a fun atmosphere to work, play and enjoy great beer. We offer event space for buyouts, private and semi-private parties during regular business hours.

We have plenty of parking available for your guests in our parking lot and an adjacent lot that is used for overflow.
